## Use (2) APTA 80s with T5U Optics to Properly Illuminate a 5' x 8' Flag

A 5' x 8' flag can swing 360 degrees extending out 8' in any direction.

### APTA 80 Features

**Vandal Resistant** - Cast aluminum frame, die cast aluminum slip fitter mount and metal cladding over the LEDs to minimize vandalism

**EXTREME LIFE** - Rated 70@ 200,000 hours means virtually no maintenance

**IP67 Rated** - Submersible rated for protection against water damage
